Cafe2U Belfast Harbour raises £500 for Charity

June 2009

Cafe2U Belfast Harbour raises £500 for Northern Ireland Cancer Fund for Children.

Jeff Peters and his partner Ron from Cafe2U Belfast Harbour have raised £500 for the Northern Ireland Cancer Fund for Children.

Jeff and Ron recently held charity raffles with their respective vans and got all their loyal customers involved to help raise money for "Northern Ireland Cancer Fund for Children".

The Northern Ireland Cancer Fund for Children is a local, recognised charity which gives vital support and makes a positive contribution to the lives of young people who are diagnosed with cancer and support to their families.

At the end of the fundraising campaign the winners were informed by email and all supporters were thanked for their fantastic support - the total amount raised was more than £500.

Jeff and Ron were then presented with a certificate in appreciation of their fundraising efforts.
