By [Cafe2U Mobile Coffee Franchise](#)

After a year long proof of concept study in San Diego, Australian mobile coffee franchise [Cafe2U](#) has signed a Master Franchise deal and will be expanding into the USA

"The recent study within the San Diego area proved to be a successful one as we managed to iron out all the operational issues prior to expansion and to conduct extensive market research into all aspects of our business model," Managing Director, Derek Black said.

"We are so excited to finally be taking the brand to America!

"The US market represents a mature coffee market with many significant opportunities to stimulate growth," he said.
