[Cafe2U](#) franchisees for Kenwick and Maddington, Andrew and Mandy Lynch have received a Merit Award at the [Franchising Council of Australia \(FCA\) Awards](#), recognising the outstanding efforts of their mobile franchise throughout the year.

The Excellence in Franchising Awards recognises and rewards excellence and allows franchises and industry experts a space to present the work they are doing within the franchising sector.

The Perth Cafe2U mobile franchise received the accolade at the Western Australian awards night, held in Fremantle.

The award comes on the back of their 2010 Franchisee of the Year award received in January at Cafe2U's annual awards ceremony.

Cafe2U Managing Director said, "Andrew and Mandy really understand the power of the Cafe2U brand and leverage it at all opportunities, while importantly still being able to be perceived as local business owners and gain customer loyalty.

"They are always willing to learn and take on board new ideas from the franchisor, and at every opportunity give back to Cafe2U with their experiences, ideas, news and updates." Attended by franchises from all over Australia, the FCA Excellence in Franchising Awards gala dinner was held at the Esplanade Hotel in Fremantle on Friday 17th June 2011.
