Cafe2U Mobile Coffee Franchise launches its second franchise in a week!

Cafe2U launched its second new franchisee for 2011 today in Southport on Queensland's Gold Coast. The launch, which was initially planned for the beginning of the week, had to be delayed due to the recent Brisbane floods.

New franchisee Jeff Hunter, a former butcher at Gold Coast Harbour Town, was excited to finally get his new business up and running "Everything was on track to start on Monday, but due to the flooding in Brisbane we couldn't get the vehicle registered. The team at Rocklea Mercedes Benz did a fantastic job in moving the vehicle to a safe location ... just as the water started to rise! But the vehicle really was not important and could have been replaced, our thoughts at the moment are with those that are doing it tough in Brisbane and other parts of Queensland"

The Southport business is the first of 3 new franchises to launch on the Gold Coast, with Surfers Paradise and Nerang scheduled to start in February 2011.

If you work in the Southport area and would like to organise a daily visit from Cafe2U, please contact Jeff on 0433 137 810, or feel free to visit his webpage at <http://cafe2u.com/au/partners/southport>
