

Mobile Coffee Franchisee Celebrates 1st Anniversary

Cafe2U Campbellfield celebrates milestone by rewarding loyal customers!

On the 1st February 2011, Mark & Carolyn Andrews celebrate their 1st Anniversary as Cafe2U Franchisees. Mark & Carolyn own and operate their Cafe2U mobile coffee franchise in Campbellfield, located in Melbourne's northern suburbs.

Mark and Carolyn joined the Cafe2U team after initially spending 2 years researching franchise systems, to determine which business would suit them best. It certainly shows that homework does pay off, having built their mobile coffee business to one of Cafe2U's best in Victoria within their first 12 months, and even has them considering a second vehicle in the future.

"We were able to exceed our expectations in our very first year of operation, which has been fantastic" said Mark of his Cafe2U experience. "But ... this has only been possible thanks to the on-going support of our loyal customers, who make running the business a real pleasure".

Mark & Carolyn have marked the occasion by holding a '1st Year Celebration Week' which will run through to Friday 4th February 2011. They will be holding daily prize draws to thank their loyal customers, with every customer having a chance to win simply by making a purchase from the Van. Prizes include free coffees for a week, Gold Class movie tickets, and a special coffee indulgence pack.

"It's a fun way to thank all of our loyal customers, and we are thrilled that many of our customers have been with us since our very first day!" said Carolyn.

If you own a business or work in the Campbellfield area and would like a daily coffee service, why not give Mark and Carolyn a call on 0414 946 343, or visit their webpage <http://cafe2u.com.au/partners/campbellfield> so you can join their growing list of satisfied customers!
